You must include in your book:

1. 12 separate pages of the story with pictures illustrating what is written on that page.
2. You should have 12 pages minimum. 4 pages - 1 line 4 pages - 2 lines 4 pages - 3 lines
3. You must have a cover page that is neat and gives a clue to what your story is about. Use bold lettering to make it look like a real children's book.
4. Use a variety of vocabulary. Use as many words to describe what is in each picture. The more correctly used vocabulary the better.
5. This assignment is worth 100 points total. Earn every point you can!!!!

Note: Any use of electronic translators, the excessive use of translators and/or relying on friends/family to write this for you is not using what you have learned in class to complete the project and is considered CHEATING.
